TERVE

こんにちは

Who We Are

Linguist Inc is a premier translation company based in Cairo, Egypt, offering accurate translations in the legal, healthcare, finance, technology and consultancy sectors.

Our expertise extends beyond written translations, as we provide live interpretation services for seamless communication during events. At Linguist Inc, we pride ourselves on delivering tailored and precise solutions, ensuring customer satisfaction.

Our team comprises professional translators who are experts in their respective fields, possessing a deep understanding of diverse cultures and languages. They are meticulously selected based on their experience, skills, and qualifications to provide our clients with the best possible translation services.

With Linguist Inc as your trusted partner, you can rely on our commitment to excellence in global communication. Experience our comprehensive language solutions and let us be the bridge that connects you to the world.

Our Mission

- ✓ Delivering accurate, reliable, and culturally appropriate translations.
- ✓ Embracing linguistic and cultural diversity for effective communication.
- ✓ Exceeding client expectations with timely and efficient language solutions.
- ✓ Cross-cultural understanding through accurate and sensitive translations.

Our Vision

- ✓ To be a globally recognized leader in exceptional translation services.
- ✓ The preferred choice for businesses, organizations, and individuals seeking top-quality translations.
- ✓ Continuously enhancing services, leveraging expert translators and advanced technologies.
- ✓ Enabling seamless communication and collaboration across languages and cultures.

What We Offer

At Linguist Inc, we offer an array of translation services, spanning over 120 languages. Our seasoned experts specialize in various sectors, including legal, medical, technical, and academic fields, ensuring translations that resonate with your audience.

Our document translation services cover a broad spectrum, with a special focus on legal document translation. We understand the precision and confidentiality this domain demands.

Legal Translation

At Linguist Inc, we understand the critical importance of accurate and confidential legal translations. Our team of skilled linguists specializes in legal terminology and systems, ensuring precise translations that adhere to legal requirements across different regions. We prioritize the confidentiality of your sensitive documents, implementing stringent security measures.

Key Services

Contracts

Accurate and legally valid translations for any type of contracts and agreements whatsoever.

Court Documents

Translations of judgments and legal briefs, tailored to different legal systems

Constitutional Documents

Expert translation of essential business documents, including Memorandums of Association, By-laws, Articles of Association, Powers of Attorney, Company Resolutions and Decisions, Investment Gazettes, and more.

With Linguist Inc, you can trust that your legal documents are in capable hands. We go beyond being a translation service – we are your dedicated partner in global communication. Experience the Linguist Inc difference and ensure your legal translations are accurate, confidential, and legally sound.

Medical Translation

Linguist Inc specializes in accurate and reliable medical translation services to enhance healthcare worldwide. Our expert translators possess extensive experience in translating various medical reports, including patient records, clinical trial reports, and research papers.

Key Services

Patient Records

We translate medical histories, lab reports, and diagnostic imaging records, ensuring accurate reflection of patients' conditions.

Clinical Trial Reports

Our translators ensure accurate and compliant translations of reports for pharmaceutical companies and research organizations, adhering to regional regulations.

Research Papers & Leaflets

We provide precise translations of scientific articles, conference papers, leaflets, and manuscripts, leveraging our translators' scientific and technical expertise.

Choose Linguist Inc for precise medical translations that empower effective communication in the healthcare industry.

Technical Translation

Linguist Inc excels in accurate and reliable technical manual translation, essential for seamless communication in global businesses and organizations. Our expert translators specialize in various industries, including engineering, manufacturing, and information technology.

Our Services Cover

Engineering Manuals

Accurate translations of user manuals, installation guides, and maintenance manuals, preserving technical specifications and instructions.

Manufacturing & User Manuals

Precise translations of manufacturing manuals in industries like automotive, aerospace, and electronics, ensuring accurate representation of manufacturing processes and technical terminology.

Information Technology Manuals

Translations of software user manuals, technical documentation, and help files, reflecting the original manual's content and compatibility with diverse software products and platforms.

Choose Linguist Inc for reliable technical manual translations that enhance communication and streamline operations.

Consultancy-Related Translations

Linguist Inc ensures precise translation of consultancy documents, guaranteeing accurate interpretation of financial terminology and maintaining the integrity of your advice. Our translators are well-versed in legal and general consultancy terminology, enabling effective communication across languages.

Services Offered

Financial Consultation

Accurate finance translation for reports, strategies, and market analyses.

Legal Consultation

Translations of legal advice, case studies, contract templates, and more, ensuring the preservation of intended meaning and legal accuracy.

General Consultation

Translation services for diverse consulting documents, including business strategies, operational advice, industry-specific consultation, and more.

Trust us for translations that uphold the confidentiality and meaning of your expert recommendations, allowing your clients to understand and implement your advice globally. Together, let's make a lasting impact.

Marketing Translations

At Linguist Inc, we appreciate the power of words in marketing. Our services do more than translate text; we culturally adapt your marketing materials to resonate with your target audience.

Our Services include

Advertising Copies

We translate your ads, keeping their persuasive tone intact.

Websites

We render SEO friendly translations of your web content, enhancing visibility in international markets.

Social-Media Content

We translate social media content, maintaining platform-specific engagement levels.

Product Descriptions

We translate product descriptions, ensuring they are appealing and informative for global customers.

At Linguist Inc, we don't just translate - we localize, making your brand message relevant and impactful across markets. Trust us with your global marketing campaign for best results.

Editing & Proofreading

- ✓ Linguist Inc recognizes the importance of flawless communication. We offer professional proofreading and editing services to refine your documents.
- ✓ Our proofreading service corrects grammatical errors, punctuation, and spelling inconsistencies, ensuring your documents are error-free and publication-ready.
- ✓ Our editing service enhances the structure, clarity, and style of your content. Our editors revise your text to improve readability and impact.
- ✓ Whether it's a business report, academic paper, or book manuscript, our services can provide the final polish to make your work shine.
- ✓ At Linguist Inc, we improve your words to their best potential, delivering clear, coherent, and compelling documents.

Interpretation

At Linguist Inc, we provide professional interpretation services, facilitating effective cross-cultural communication. Our interpreters ensure accurate message conveyance in contexts like business meetings, legal proceedings, and medical appointments.

Key Features of our services include

Modes of Interpretation

We provide simultaneous and consecutive interpretation services, catering to different needs.

Qualified Interpreters

Our interpreters are linguistically skilled and industry-knowledgeable, capable of handling field-specific nuances and terminologies.

Confidentiality

We uphold strict confidentiality, with all our interpreters adhering to a stringent code of ethics.

At Linguist Inc, we are dedicated to overcoming language barriers and ensuring seamless communication for our clients, irrespective of their requirements' frequency or nature.

Desktop Publishing (DTP)

At Linguist Inc, we acknowledge the importance of desktop publishing in creating quality print and digital materials. Our experienced team works with various materials, including books, magazines, brochures, and catalogs. We prioritize accuracy and attention to detail, ensuring an error-free, refined final product.

Our Desktop publishing services include

Book Layout and Design

We assist authors and publishers in creating professional, appealing, and reader-friendly books.

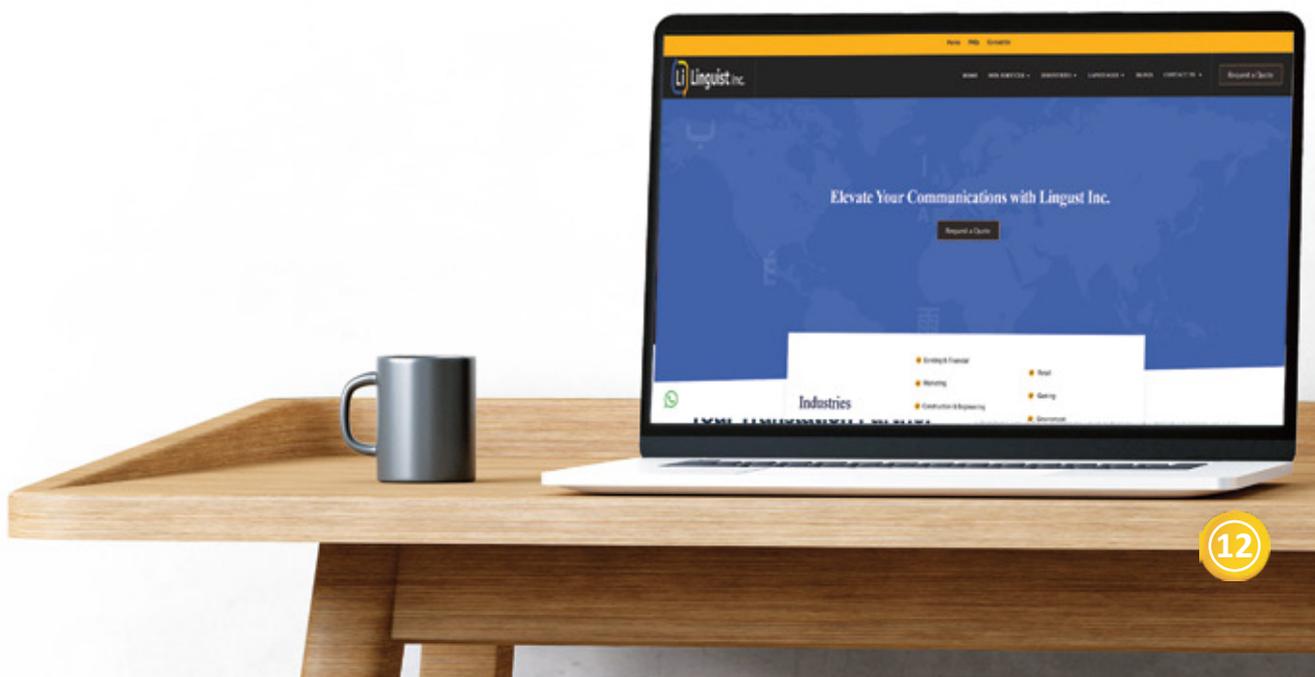

Magazine Layout and Design

We help magazine publishers create visually stunning, engaging magazines that captivate readers.

Brochure and Catalog Design

We aid businesses in creating attractive, informative brochures and catalogs that effectively showcase their offerings

At Linguist Inc, we strive to provide excellent desktop publishing services, keeping aesthetics, readability, and precision at the forefront.

Translation Process & Quality Control

We maintain a rigorous translation process and quality control system for high accuracy, consistency, and cultural relevance. Here is an overview of our process :

Project Analysis

Our team analyze your project for its requirements, including language pair, subject matter, tone, and deadline.

Resource Selection

We allocate your project to a resource fluent in the required language pair and knowledgeable about the relevant subject matter.

Operation

Our resources use their linguistic and subject matter expertise to produce a culturally appropriate service.

Editing

An editor reviews the translation for any errors or inconsistencies and ensures tone and style consistency.

Proofreading

A proofreader checks the edited translation for spelling, grammar, punctuation, or formatting errors.

Quality Assurance

Our quality assurance team verifies the translation for accuracy, consistency, readability, and cultural appropriateness.

Delivery

We deliver the final product, open to feedback and ready for any necessary revisions.

Our Past & Present Clients

At Linguist Inc, we cater to a diverse clientele across various sectors and regions, from multinational corporations and startups to non-profits and government agencies. Our tailored language solutions meet their unique needs. Our dedication to quality, accuracy, and cultural relevance has earned our clients' trust. We support their growth by overcoming language barriers and promoting effective cross-cultural communication. We value our clients' trust and aim to foster enduring relationships with them by ensuring timely, high-quality, and cost-effective language solutions. Below are some of our past and present clients :

Our Key Partners to Success

At Linguist Inc, we appreciate our partners' vital role in our success. They enhance our services, widen our reach, and help deliver superior value to our clients. Our key partners include :

- ✓ **Language Service Providers (LSPs)**
Our global partnerships with LSPs allow us to offer translations in various languages and dialects.
- ✓ **Technology Partners**
They provide advanced tools for improving our translation accuracy, speed, and efficiency.
- ✓ **Academic Institutions**
Partnerships with universities and research bodies keep us updated on the latest in linguistics and translation.
- ✓ **Industry Associations**
Membership in professional associations helps maintain high standards and keep us abreast of best practices.
- ✓ **Client Partners**
Our clients drive our innovation and service expansion with their diverse needs.

We're thankful for our partners' support and collaboration, which are instrumental in our growth and success in the language services industry.
